Re: Sunrise Utilities LLC: CC&N Application: Docket No WS-04247A-04-_____

WS-04247A-04-0604

Dear Ms. Hains:

On August 16, 2004, the Company refiled a Certificate of Convenience and Necessity Application for Sunrise Utilities LLC. In addition to the standard requirements set forth in the Commission's form of Certificate of Convenience and Necessity Application, the Company filed the additional items requested by Jim Fisher's letter dated April 22, 2004, in Docket No. W-04247A-04-0217. Those responses are attached as TAB B to the new Application.

The responses to Items 1, 2, and 5 are either electronic, voluminous, or oversized, and do not lend themselves to filing with Docket Control. Therefore, those items are being provided directly to you under this transmittal. They include the following items:

- 1 & 2. An electronic copy of the Mohave County 208 Plan.
5.
 - a) Submittal Data for a Scenic, Arizona Area Wastewater Treatment Plant.
 - b) Proposed Water System, Sunrise Utilities, Phase 1.
 - c) Proposed Wastewater Treatment System, Sunrise Utilities, phase 1.
 - d) Flow Diagram & Hydraulic Profile, Scenic Area.
